ITEM FOR SALE: BANDAI 1/15<sup>TH</sup> SCALE STUG 4 KIT

SELLER: Paul Howald

PRICE: \$175 plus shipping costs from Denver, or local pick-up.

ITEM DESCRIPTION: This is the 2nd Bandai Stug 4 I had planned to convert, but never started. What you get is most of the Stug 4 kit but I cannot guarantee that all the little parts are there. However, it does include the gearbox/motors installed and all the running gear. There are also extra drive sprockets & return rollers in the box. The kit is missing the plastic tracks because I had planned to install metal tracks. I have metal ones and the sprockets for sale separately.
