

RC TANK ITEM FOR SALE

ITEM FOR SALE: BANDAI 1/15TH SCALE STUG 4 PARTS

SELLER: Paul Howald

PRICE: \$200 plus shipping costs from Denver, or local pick-up.

ITEM DESCRIPTION: This is a Bandai Stug 4 I had planned to convert to a Jagdpanzer, but never finished. What you get is most of the Stug 4 kit but I can not guarantee that all the little parts are there. It comes with Kenny Kong metal tracks, metal drive & return sprockets and with the gear boxes/motors installed. I am also supplying all the drawings, sketches and plans I had gathered to complete the project. Also installed are brass working front mud flaps. This would be good for a new kit bashing project or for parts to repair your old Bandai models.
